

# Havedagstilmelding

Efterår 2019

Så er det igen tid til at tilmelde sig til efterårets havedage på kollegiet.

Havedagene foregår over fire dage og man skal deltage i mindst én af dem.

Hvis man ikke deltager koster det 750 kr. som trækkes over huslejen.

Man kan se yderligere information om havedagene på [www.akdtu.dk/havedag/](http://www.akdtu.dk/havedag/) og tilmelde sig på [www.akdtu.dk/havedag/havedag-tilmelding/](http://www.akdtu.dk/havedag/havedag-tilmelding/).

## Deadline for tilmelding

Man skal tilmelde sig senest fredag d. 6/9 – efter denne dato er der ingen mulighed for at tilmelde sig og man vil blive opkrævet 750 kr.

## Regler for havedage

Bestyrelsen bruger en del tid og energi på at planlægge havedagene, så kollegiet bliver bedst muligt vedligeholdt, men det kræver at der sættes nogle regler for deltagelsen af havedagene:

- Man skal deltage **aktivt** og i **hele** tidsrummet (kl. 10-15).
- Det er ikke muligt at ændre sin tilmelding.
- Har man ikke tilmeldt sig inden deadline vil man blive trukket 750 kr. over den månedlige boligafgift snarest muligt efter deadline.
- Møder man ikke op til den tilmeldte havedag vil man blive trukket 750 kr. over den månedlige boligafgift snarest muligt efter deadline.
- Det tæller ikke som deltagelse i en havedag hvis man møder op uden at have tilmeldt sig. Dog er det selvfølgelig stadig tilladt at deltage ved flere havedage, men kun den man er tilmeldt tæller.
- Ved salg af andel skal man orientere køber, da andelen ikke slipper for sin forpligtigelse til at deltage i havedag.

# Gardening day signup

Fall 2019

Once again it is time to sign up to the fall's gardening days.

The gardening days takes place over four days and you must attend at least one of them.

If you do not participate, it costs DKK 750 which is charged through the monthly housing charge.

You can see more information about the gardening days at [www.akdtu.dk/havedag/](http://www.akdtu.dk/havedag/) and register at [www.akdtu.dk/havedag/havedag-tilmelding/](http://www.akdtu.dk/havedag/havedag-tilmelding/).

## Registration deadline

You must register by Friday, 6/9 - after this date there is no possibility to register and you will be charged DKK 750.

## Rules for gardening days

The board spends a lot of time and energy on planning the gardening days so that the dorm is maintained as best as possible, but this requires some rules for the participation of the gardening days:

- You must participate **actively** and **throughout the whole time period** (10 am to 3 pm).
- It is not possible to change your signup date.
- If you have not registered before the deadline, you will be charged DKK 750 through the monthly housing charge as soon as possible after the deadline.
- If you do not meet up at the registered garden day, you will be charged DKK 750 through the monthly housing charge as soon as possible after the deadline.
- It does not count as attending a gardening day if you show up without having signed up. However, it is of course still allowed to participate on several garden days, but only the one who you have signed up for counts.
- When selling your apartment, you must inform the buyer, as the apartment does not avoid its obligation to participate in the gardening day.
